## Missions

ALLISON MITCHELL is spending her summer vacation serving with INTERSERVE at a small local school in the foothills of the Himalayas. Interserve focuses on the 'least reached' of the world and are passionate about planting seeds, watering, and watching God grow those seeds into a plentiful harvest. The school at which Allison will be volunteering primarily educates poorer students. Five years ago, Allison also spent a week at this school. She then spent 4 1/2 years in South Asia before returning to the U.S. and began attending TCC.

Visit <http://eepurl.com/b4w1UP> to receive updates and pray for Allison, and <https://secure-q.net/donations/Interserve/1240> to help support her financially.
